# WHO INSPIRES YOUR STUDENTS?

World class athletes, coaches, officials, media personalities and other British Columbian sport champions! That's who!

Either book a **Hero In You Presentation for your school (FREE) or a field trip to the BC Sports Hall of Fame (FREE teacher passes available)** which starts with an educational kid-friendly presentation, followed by an action packed tour of the Hall of Fame, a peek into BC Place, and time to enjoy the interactive participation zone. Here students can break a sweat while summiting the rotating climbing wall or timing themselves on the running track.

Deepen the out-of-classroom learning with our online curriculum based lesson plans designed for grades 4 to 10.
